

FATIMA

Middle School

WELCOME

The New FATIMA SPECTRA PROGRAM provides its students with strong academic and social skills. Students are taught the values of trust, sharing and self-esteem through constant reinforcement of positive behavior. By limiting its enrollment and maintaining a low student-teacher ratio in each class, Fatima offers a structured learning environment with the freedom and creativity of individual attention responding to each child's abilities, needs and interests. As a result, our strong and varied curriculum includes Math, Science, Language Arts, History, Fine Arts, and Religion.

WE OFFER

- Small, safe, nurturing environment
- Programs stressing excellence
- Educational vision
- Challenging curriculum
- Traditional values
- Religious ideals
- Athletics and arts programs

TUITION

2012 - 2013
Grades 6 - 8
\$4,500

ABOUT US

As members of a Christian community, FATIMA faculty and students encourage (their own and each other's) spiritual awareness, intellectual strength, and development of a social consciousness that leads to a commitment to peace, justice, and personal responsibility.

In a spirit of simplicity enhanced by sincerity, warmth, dedication, and generosity, FATIMA faculty and students develop, according to his/her gifts, a genuine integration of personal individuality and communal responsibility. Each person channels his/her energies toward becoming students of integrity, educated in faith who contribute to a society evangelized by justice and Gospel values.
